

# Storage Check List

We take the storage of your goods as seriously as you do. Together with our competitive prices we offer unrivalled levels of service and facilities. If you've checked out the opposition see how they compare:

- Purpose designed storage facility.
- Strong steel fully enclosed storage rooms.
- Sophisticated electronic intruder alarm system, with 24-hour 'Redcare' direct police link.
- Fire detection and alarm systems.
- All storage rooms monitored and recorded continuously on C.C.T.V. system.
- Fully approved Fire certificated building.
- Removal service available.
- Free use of numerous trucks and trolleys for loading and unloading.
- Large modern goods and passenger lifts, or fork lift access to all floors.
- Individual power sockets and lighting can be installed in many of the larger rooms (at extra cost).
- Automatic lighting systems.
- Unlimited secure parking on site (both for cars and delivery vehicles).
- Packaging supplies, boxes and padlocks are all available to purchase on site.
- Deliveries of in-coming goods accepted on your behalf.
- Members of the European Self-Storage Association.
- Comfortably furnished reception/waiting area, with tea, coffee and cold drinks.
- Huge capacity of storage rooms.
- Electrically operated loading bays with weather protected overhead canopy.
- Custom-built non-standard room sizes available with 48-hour notice.
- Forklift truck and driver available on site.
